Are these times contagious

I've never been this bored before

Is this the prize I've waited for

Now as the hours passing

There's nothing left here to insure

I long to find a messenger

Have I got a long way to run

Have I got a long way to run

Yeah, I ruuuuuuuuuuun

C Am

Is there a cure among us

From tis processed sanity

I weaken with each voice that sings

Now in this world of purchase

I'm going to buy back memories

To awaken some old qualities

Have I got a long way to run

Have I got a long way to run

Yeah, I ruuuuuuuuuuuun

Yeah, I ruuuuuuuuuuuun

### Intro

C Am C Am

C Am  
I've heard there was a secret chord  
C Am  
That David played and it pleased the Lord  
F G C G  
But you don't really care for music do you?

C F G  
It goes like this, the fourth, the fifth  
Am F  
The minor fall, the major lift  
G Em Am  
The baffled King composing Hallelujah

F Am  
Hallelujah, hallelujah  
F C G C C  
Hallelujah, halle lujah

C Am  
Your faith was strong but you needed proof  
C Am  
You saw her bathing on the roof  
F G C G  
Her beauty in the moonlight overthrew you

C F G  
She tied you to a kitchen chair  
Am F  
She broke your throne, and she cut your hair  
G Em Am  
And from your lips she drew the hallelujah

F Am  
Hallelujah, hallelujah  
F C G C C  
Hallelujah, halle lujah

C Am  
Maybe I've been here before  
C Am  
I know this room, I've walked this floor  
F G C G  
I used to live alone before I knew you

*C*                      *F*    *G*  
 I've seen your flag on the marble arch

 I've been thinking, by a little place down by the lake  
DG  
 They've got a dirty old road leading up to the house I wonder how long it will take  
GC  
 till we're alone, sittin on the front porch of that home,  
DG  
 stomping our feet on the wooden boards, never gonna worry about locking the door

G  
 Well it's one, two, three, four take the elevator at  
C  
 the Hotel Yorba I'll be glad to see you later,  
DGD G

## Bridge

Single slow strum per chord, mute the low E string on the G chord

It might sound silly, for me to think child messed up like these

But I'm so tired of acting tough, and I gonna do what I please.

Now let's get married in a big cathedral by a priest,

'Cause if I'm the man that you love the most, you could say I'm do the least.

Well it's one, two, three, four take the elevator at

the Hotel Yorba I'll be glad to see you later,

all they've got inside is vacancy.

And it's one, five six, seven, grab your umbrella,

grab a hold on me me cause i'm a bit of fella,

all they got inside is vacancy.

# Last Dance With Mary Jane

Tom Petty

## Intro/Verse

Am G D Am

## Chorus

Em Asus Am Am7 Em Asus B/Asus

She grew up in an Indiana town  
Had a good lookin' momma who never was around  
But she grew up tall and she grew up right  
With them Indiana boys on an Indiana night

Well she moved down here at the age of 18  
She blew the boys away, it was more than they'd seen  
I was introduced and we both started groovin'  
She said, "I dig you baby but I got to keep movin'"  
...on, keep movin' on

Last dance with Mary Jane  
One more time to kill the flame  
I feel summer creepin' in and I'm  
Tired of this town again

Well I don't know but I've been told  
You never slow down, you never grow old  
I'm tired of screwing up, I'm tired of bein' down  
I'm tire of myself, I'm tired of this town  
Oh my my, oh hell yes  
Honey put on that party dress  
Buy me a drink, sing me a song,  
Take me as I come 'cause I can't stay long

Last dance with Mary Jane  
One more time to kill the flame  
I feel summer creepin' in and I'm  
Tired of this town again

There's pidgeons down in Market Square  
She's standin' in her underwear  
Lookin' down from a hotel room  
Nightfall will be comin' soon  
Oh my my, oh hell yes  
You've got to put on that party dress  
It was too cold to cry when I woke up alone  
I hit the last number, I walked to the road

Last dance with Mary Jane  
One more time to kill the flame  
I feel summer creepin' in and I'm  
Tired of this town again

 With many medals of bravery and stripes to his name  
*Eb/G* *A#/F*  
 He grew a beard as soon as a he could to cover the scars on his face  
*F*  
 And always urged his men on  
*Bb* *F*  
 But on the eve of great battle with the infantry in dream  
*Cm* *Gm*  
 The old general tossed in his sleep a lesson with its meaning  
*Eb/G* *A#/F*  
 He awoke from the night to tell what he had seen  
*F*  
 And walked slowly out his tent  
*Bb* *F*  
 All the men held tall with their chests in the air  
*Cm* *Gm*  
 With the courage in their blood and the fire in their stare  
*Eb/G* *A#/F*  
 And it was a grey morning and they all wondered how they would fare  
*F*  
 Till the old general told them to go home

He said...

*Bb* *F* *Cm* *Gm* *Eb/G*  
 I have seen the others and i have discovered  
*A#/F* *F*  
 That this fight is not worth fighting  
*Bb* *F* *Cm* *Gm* *Eb/G*  
 And i've seen their mothers and i will no other  
*A#/F* *F*  
 To follow me where i'm going, so...  
*Bb* *F* *Cm*  
 Take a shower and shine your shoes  
*Gm* *Eb/G*  
 You got no time to lose  
*A#/F* *F*  
 You are young men you must be living

I have seen the others and i have discovered  
That this fight is not worth fighting  
And i've seen their mothers and i will no other  
To follow me where i'm going, so...  
Take a shower and shine your shoes  
You got no time to lose  
You are young men you must be living

### Intro x1

But the men stood fast with their guns on their shoulders  
Not knowing what to do with contradicting orders  
The general said he would do his own duty but extended it no further  
The men could go as they pleased  
But not a man moved their eyes gazed straight ahead  
Till one by one they stepped back and not a word was said  
The old general was left with his own words echoing in his head  
He then prepared to fight

I have seen the others and i have discovered  
That this fight is not worth fighting  
And i've seen their mothers and i will no other  
To follow me where i'm going, so...  
Take a shower and shine your shoes

### Intro

*D F#m D F#m*

*D F#m*  
Hey there Delilah, What's it like in New York City?

*D F#m*  
I'm a thousand miles away, But girl tonight you look so pretty,

*Bm G A Bm*  
Yes you do, Time Square can't shine as bright as you,

*A*  
I swear it's true.

*D F#m*  
Hey there Delilah, Don't you worry about the distance,

*D F#m*  
I'm right there if you get lonely, Give this song another listen,

*Bm G A Bm*  
Close your eyes, Listen to my voice it's my disguise,

*A*  
I'm by your side.

*D Bm D Bm*  
Oh it's what you do to me, Oh it's what you do to me,

*D Bm D Bm*  
Oh it's what you do to me, Oh it's what you do to me,

*D*  
What you do to me.

*D F#m*  
Hey there Delilah, I know times are getting hard,

*D F#m*  
But just believe me girl some day, I'll pay the bills with this guitar,

*Bm G A Bm*  
We'll have it good, We'll have the life we knew we would,

*A*  
My word is good.

*D F#m*  
Hey there Delilah, I've got so much left to say,

*D F#m*  
If every simple song I wrote to you, Would take your breath away,

*Bm G A Bm*  
I'd write it all, Even more in love with me you'd fall,

*A*  
We'd have it all.

*D* *Bm D* *Bm*  
 Oh it's what you do to me, Oh it's what you do to me,  
*D* *Bm D* *Bm*  
 Oh it's what you do to me, Oh it's what you do to me,

### Bridge

*G* *A*  
 A thousand miles seems pretty far, But they've got planes and trains and cars,  
*D* *Bm*  
 I'd walk to you if I had no other way  
*G* *A*  
 Our friends would all make fun of us, And we'll just laugh along because,  
*D* *Bm*  
 We know that none of them have felt this way,  
  
*G* *A*  
 Delilah I can promise you, That by the time that we get through,  
*Bm* *A*  
 The world will never ever be the same, And you're to blame.

*D* *F#m*  
 Hey there Delilah you be good, And don't you miss me,  
*D* *F#m*  
 Two more years and you'll be done with school, And I'll be making history,  
*Bm G A Bm*  
 Like I do, You'll know it's all because of you,  
*G A Bm*  
 We can do whatever we want to,  
*G A Bm A*  
 Hey there Delilah here's to you, This one's for you.

*D* *Bm D* *Bm*  
 Oh it's what you do to me, Oh it's what you do to me,

# Ain't No Rest For The Wicked

Cage The Elephant

*G*  
I was walking down the street,  
*Bb*  
When out the corner of my eye  
*C Bb F*  
I saw a pretty little thing approaching me.  
*G*  
She said "I've never seen a man  
*Bb*  
Who looks so all alone,  
*C Bb F*  
Could you use a little company?  
*G*  
If you pay the right price  
*Bb*  
Your evening will be nice,  
*C Bb F*  
And you can go and send me on my way."  
*G*  
I said "You're such a sweet young thing  
*Bb*  
Why you do this to yourself?"  
*C Bb F*  
She looked at me and this is what she said,

*G Bb C F*  
"Oh, there ain't no rest for the wicked,  
*G Bb C F*  
Money don't grow on trees.  
*G*  
I got bills to pay,  
*Bb C F*  
I got mouths to feed,  
*G Bb C F*  
There ain't nothing in this world for free.  
*G*  
I know I can't slow down,  
*Bb C F*  
I can't hold back,  
*G Bb C F*  
Though you know, I wish I could.  
*G Bb C F*  
No there ain't no rest for the wicked,  
*G Bb C F*  
Until we close our eyes for good".

*G*  
Not even fifteen minutes later  
*Bb*  
I'm still walking down the street,  
*C Bb F*  
When I saw a shadow of a man creep out of sight.  
*G*  
Then he walks up from behind  
*Bb*  
And puts a gun up to my head,  
*C Bb F*  
He made it clear he wasn't looking for a fight.  
*G*  
He said "Give me all you've got  
*Bb*  
I want your money not your life,  
*C Bb F*  
But if you try to make a move I won't think twice."  
*Bb*  
I said "You can have my cash  
*Bb*  
But first you know I got to ask  
*C Bb F*  
What made you want to live this kind of life?"

*G Bb C F*  
He said "There ain't no rest for the wicked,  
*G Bb C F*  
Money don't grow on trees.  
*G*  
I got bills to pay,  
*Bb C F*  
I got mouths to feed,  
*G Bb C F*  
There ain't nothing in this world for free.  
*G*  
I know I can't slow down,  
*Bb C F*  
I can't hold back,  
*G Bb C F*  
Though you know, I wish I could.  
*G Bb C F*  
No there ain't no rest for the wicked,  
*G Bb C F*  
Until we close our eyes for good".

G  
 Now a couple hours passed  
 Bb  
 And I was sitting at my house,  
 C Bb F  
 The day was winding down and coming to an end.  
 G  
 So I turned on the TV  
 Bb  
 And flipped it over to the news,  
 C Bb F  
 And what I saw I almost couldn't comprehend.  
 G  
 I saw a preacher man in cuffs he'd taken money fr-  
 Bb  
 om the church,  
 C Bb F  
 He's got this bank account with righteous dollar  
 bills.  
 G  
 But even still I can't say much  
 Bb  
 Because I know we're all the same,  
 C Bb F  
 Oh yes we all seek out to satisfy those thrills.

G Bb C F  
 "Oh, there ain't no rest for the wicked,  
 G Bb C F  
 Money don't grow on tre es.  
 G  
 I got bills to pay,  
 Bb C F  
 I got mouths to feed,  
 G Bb C F  
 There ain't nothing in this world for fr ee.  
 G  
 Oh no we can't slow down,  
 Bb C F  
 We can't hold back,  
 G Bb C F  
 Though you know, we wish we could.  
 G Bb C F  
 No there ain't no rest for the wicked,

 Until we close our eyes for good".

# All I Want Is You

Barry Louis Polisar

G C G  
If I was a flower growing wild and free  
G D G  
All I'd want is you to be my sweet honey bee.  
G C G  
And if I was a tree growing tall and green  
G D  
All I'd want is you to shade me and be my leaves

If I was a flower growing wild and free  
All I'd want is you to be my sweet honey bee.  
And if I was a tree growing tall and green  
All I'd want is you to shade me and be my leaves

All I want is you, will you be my bride  
Take me by the hand and stand by my side  
All I want is you, will you stay with me?  
Hold me in your arms and sway me like the sea.

If you were a river in the mountains tall,  
The rumble of your water would be my call.  
If you were the winter, I know I'd be the snow  
Just as long as you were with me, when the cold winds blow.

All I want is you, will you be my bride  
Take me by the hand and stand by my side  
All I want is you, will you stay with me?  
Hold me in your arms and sway me like the sea.

If you were a wink, I'd be a nod  
If you were a seed, well I'd be a pod.  
If you were the floor, I'd wanna be the rug  
And if you were a kiss, I know I'd be a hug

All I want is you, will you be my bride  
Take me by the hand and stand by my side  
All I want is you, will you stay with me?  
Hold me in your arms and sway me like the sea.

G                      C              G  
 If you were the wood, I'd be the fire.  
 G                      D              G  
 If you were the love, I'd be the desire.  
 G                      C              G  
 If you were a castle, I'd be your moat,  
 G                      D              G  
 And if you were an ocean, I'd learn to float.

All I want is you, will you be my bride  
 Take me by the hand and stand by my side  
 All I want is you, will you stay with me?  
 Hold me in your arms and sway me like the sea.

# So Long

Guster

A E F#m D

Yes I heard all that you had to say

A E D D

That's when it all fell apart

A E F#m D

Might be hated, but I can't pretend

A E D D

I liked you better before

A E F#m D

So long, so long, front foot leads the back one

A E D D

Go on and it won't be too soon

A E F#m D

I'm gone, I'm gone and on to the next one

A E D D

So long, and I won't be back soon

A E F#m D

Yes I'm blue, but from holding my breath

A E D D

Like I have from the start

A E F#m D

I'm the villain and I should confess

A E D D

I liked you better before

A E F#m D

So long, so long, and on to the next one

A E D D

Go on and it won't be too soon

A E F#m D

I'm gone, I'm gone, bet you saw this one coming

A E D D

So long, and I won't be back soon

A

It's hateful to say, see it this way

Don't even know who you are

A E F#m D

But in my defense I'd do it again

A E D D

I don't need to know who you are

*A E F#m D*  
 So long, so long, and on to the next one  
*A E D D*  
 Go on and it won't be too soon  
*A E F#m D*  
 You're gone, you're gone, are you waiting for somethin?  
*A E D D*  
 Go on cause I won't be back soon

*A E F#m D*  
 It's hateful to say, see it this way  
*A E D D*  
 Don't even know who you are  
*A E F#m D*  
 But in my defense I'd do it again  
*A E D D*  
 I don't need to know who you are

*A E F#m D*  
 So long, so long, front foot leads the back one  
*A E D D*  
 Go on, 'cause it won't be too soon  
*A E F#m D*  
 You're lost and gone and on to the next one  
*A E D D*  
 I don't need to know who you are  
 Don't need to know who you are...

# Rocketship

Guster

*Bm F#/D G F#*

They'll find it on the stairs.  
Politely placed it there.  
Been so unkind without a hint,  
a warning sign for them.  
Read my apology.  
Their hope of disbelief.  
But no denial changes things.  
No remedy ahead.

G E/A  
I am not to be martyred,  
G E/A  
I am not to be worshipped.  
G E/A  
Did it not to be strong strong strong  
G E/A  
I implicate no others in this crime.

I'm off on a rocketship  
prepared for something new.  
I'm off on a rocketship estatic with the view.  
I am scared of the things upcoming,  
and I want for the things I don't have.  
Cannot stand to be one of many,  
I'm not what they are.

I will gather in my name.  
The morning will begin.  
And all or nothing over there  
is teasing me again.
